

School Directory Permission Slip

St. John Berchmans would like to publish a student directory this year. The directory would list all of the students, their parents' names, their class, address, and home phone number as well as a parent's email address. This would be very helpful when contacting classmates, arranging for rides, picking up homework assignments, babysitting etc. Every family will receive a directory.

We require parental or guardian permission for each student in order to print the student's home address and phone number in the directory.

Please print clearly and return this form to the school by **Thursday, September 20, 2007** so that directories can be distributed in a timely manner. Please complete the child's name and grade even if you are **NOT** participating in the directory and return to school.
