Dear Friends,

Last year on March 10th, we hosted our 3rd Annual Glimmer Auction. It was a fun and highly successful event, exceeding the expectations of the committee. We raised over \$75,000 and, as a result, our school has been able to implement many improvements to both its infrastructure and curriculum. Highlights include two new libraries, a new art teacher, and a new science lab. To this, we thank everyone who has helped us in the past year!

On Saturday, April 12, 2008, Saint John Berchmans will host its 4th Annual Glimmer Auction. The theme this year will be "Sweet Home Chicago," celebrating the food, music, and cultures of our city.

We hope you will consider taking part in this year's Glimmer Auction by donating an item (or two... or more!) for use in the silent auction. Given the caliber of its attendees, a presence at the Auction can serve as a great marketing vehicle for your organization. The other benefits of your donation include a tax deduction, recognition in the event program, and the knowledge that you are helping children receive to receive a quality education.

Another way you can contribute to the Glimmer Auction is by adding a "call out" (list your name/company as a friend) in our catalog or even by becoming an event sponsor. Many school families and community members choose to purchase a "call out" and make a creative contribution to the widely-read auction catalog.

If you are able to commit to the Glimmer Auction, please complete the enclosed Donation Contract and return the form to:

On behalf of the individuals and families assisted through the programs of Saint John Berchmans School, we thank you for your support. Through your support and dedication, we can sustain our mission of Catholic education.
