

## St. John Berchmans Celebrates

The Week of the Young Child is from April 10<sup>th</sup> to the 16<sup>th</sup>, 2011. It is to honor young children (birth through 8 years old) and to thank their teachers and their parents who lay the foundation for success in their future.

The theme this year is "Early Years Are Learning Years". We at St. John Berchmans celebrate the WOYC by having various activities that provide opportunities to grow and learn. Some of these activities will promote early literacy, community awareness and family involvement.

WOYC was established in 1971 by the National Association for the Education of Young Children. For more information visit [www.naeyc.org/woyc](http://www.naeyc.org/woyc)
